Conditions of participation

11.

Eligibility:

PHARE — ESTABLISHMENT OF PAYING AGENCY AND PREPARATION FOR SETTING UP OF IACS IN BULGARIA

Participation is open on equal terms to all natural and legal persons of the EU Member States, Albania, Bosnia-Herzegovina, Bulgaria, Croatia, Former Yugoslav Republic of Macedonia, Romania, Serbia-Montenegro and Turkey (see also item 29 below).

12.

Candidature:

All eligible natural and legal persons (as per item 11 above) or groupings of such persons (consortia) may apply.

All candidates should apply for both lots.

A consortium may be a permanent, legally established grouping or a grouping which has been constituted informally for a specific tender procedure. All members of a consortium (i.e. the leader and all other partners) are jointly and severally liable to the contracting authority.

The participation of an ineligible natural or legal person (as per item 11) will result in the automatic exclusion of that person. In particular, if that ineligible person belongs to a consortium, the whole consortium will be excluded.

13.

Number of applications:

No more than one application for both lots can be submitted by a natural or legal person (including legal persons within the same legal group), whatever the form of participation (as an individual legal entity or as leader or partner of a consortium submitting an application). This application should cover the information required for both lots. In the event that a natural or legal person (including legal persons within the same legal group) submits more than one application, all applications in which that person (and legal persons within the same legal group) has participated will be excluded.

14.

Shortlist alliances prohibited:

Any tenders received from tenderers comprising firms other than those mentioned in the shortlisted application forms will be excluded from this restricted tender procedure. Shortlisted candidates may not form alliances or subcontract to each other for the contract in question.

15.

Grounds for exclusion:

As part of the application form, candidates must submit a statement to the effect that they are not in any of the exclusion situations listed in Section 2.3.3 of the Practical Guide to contract procedures

PHARE — ESTABLISHMENT OF PAYING AGENCY AND PREPARATION FOR SETTING UP OF IACS IN BULGARIA

financed from the general budget of the European Communities in the context of external actions (available from following Internet address: http://europa.eu.int/comm/europeaid/index_en.htm).

16.

Subcontracting:

Subcontracting will be allowed up to 30 % of the contract value. Subcontracting can be used for short-term experts and for supporting the activities envisaged for the key experts.

17.

Number of candidates to be shortlisted:

On the basis of the applications received, at least 4 and at most 8 candidates will be invited to submit detailed tenders for this contract. Only candidates applying for both lots will be shortlisted.

Provisional timetable

18.

Provisional date of invitation to tender:

1.10.2005.

19.

Provisional commencement date of the contract:

1.1.2006.

20.

Initial period of execution and possible extension of the contract:

8 months.

Selection and award criteria

21.

Selection criteria:

The following selection criteria will be applied to candidates. In the case of applications submitted by a consortium, these selection criteria will be applied to the consortium as a whole:

1) economic and financial standing of candidate (based on item 3 of the application form)

a) the average annual revenue of the candidate for each of the last two years for which accounts have been closed shall amount at least to EUR 1 300 000;

b) the firm or the leading partner of the consortium should be operational for the last 2 years.

In addition to the standard application form, the annual accounts of the last 2 years available must be attached to the application, e.g. the balance sheets or extracts from balance sheets from the last 2 years for which accounts have been closed, in accordance with the company law of the country in which the lead partner is established.

2) Professional capacity of candidate (based on items 4 and 5 of the application form):

the candidate shall have at least 6 experts per lot currently and on average during the last 2 years working in 1 or more of the fields related to this contract and specified below.

3) Technical capacity of candidate (based on items 5 and 6 of the application form):

a) the candidate shall have experience in the following fields of specialisation:

1) software development and implementation;

2) IT project analysis;

3) object oriented programming languages;

4) database design, database development and database administration;

5) acquisition of airborne or satellite images;

6) processing of airborne or satellite images;

7) orthorectification;

8) geodesy;

b) the candidate shall have successfully completed at least 2 projects in the past 3 years.

For lot 1 — 1 project with a value of at least EUR 250 000 and involving the fields from 1 to 4 described above under 3 a).

For lot 2 — 1 project with a value of at least EUR 350 000 and involving the fields from 5 to 8 described above under 3 a).

The fields described above under 3(a) can be covered by more than one project,
