

## **Committee : Development**

---

Published at: 17-03-2008

The Committee is in charge of EU development and cooperation policy i.e. political dialogue, aid, EU Partnership Agreements and the promotion of democratic values in developing countries. An important aspect of its responsibility is the participation of the EP in election observation missions. Its duties also relate to issues concerning EU-ACPO (Africa, Caribbean and Pacific Group of states) Partnership Agreements.
