Alexander Stubb was among the first representatives of the European parliament who welcomed in a special video-address the launching of the initiative [‘Now - interacting with the European Parliament!’](#).

Just days after he recorded his video-message, which was first aired at the opening ceremony in Sofia in March, Mr. Stubb was appointed Finland’s next Foreign Minister. Click [HERE](#) to learn more about the event.

The [‘Now - interacting with the European Parliament!’](#) team would like to use the occasion to wish to Mr. Stubb a successful mandate as Finnish first diplomat.
