Conditions of participation

8. Eligibility and rules of origin:

Participation is open on equal terms to all natural and legal persons participating either individually or in a grouping (consortium) of tenderers of the EU Member States, of the Phare beneficiary countries, of the Cards beneficiary countries and Turkey — the countries and territories of the regions covered and/or authorised by the Regulation or other specific instruments applicable to the programme under which the contract is financed (see also item 21 below). All goods supplied under this contract must originate in these countries.

9. Grounds for exclusion:

Tenderers must submit a statement to the effect that they are not in any of the situations listed in point 2.3.3 of the Practical Guide to contracts procedures financed by the general budget of the European Communities in the context of external actions.

10. Number of tenders:

Tenderers (including firms within the same legal group, other members of the same consortium and subcontractors) may submit only one tender for one or more lots. Tenders for part of the lot will not be considered. Any tenderer may state in its tender that it would offer a discount in the event that its tender is accepted for more than one lot. Tenderers may submit a tender for a variant solution in addition to their tender for the supplies required in the tender dossier.

11. Tender guarantee:

Tenderers must provide a tender guarantee of 1 % of their financial bid for the respective lot when submitting their tender proposal. This guarantee will be released to unsuccessful tenderers once the tender procedure has been completed and to the successful tenderer(s) upon signature of the contract by all parties. This guarantee will be called upon if the tenderer does not fulfil all obligations stated in its tender.

12. Performance guarantee:

The successful tenderer will be asked to provide a performance guarantee of 10 % of the contract value in euro when countersigning the contract. This must be delivered within 30 days after receipt by the tenderer of the contract signed by the contracting authority. If the selected tenderer fails to provide such a guarantee within this period, the contract will be void and a new contract may be drawn up and sent to the tenderer which has submitted the next best compliant tender.

13. Information meeting and/or site visit:
