"Your voice on Europe 2020" – a follow up Consultation of European Regions and Cities –
DEADLINE: 12 April 2010

CoR is launching a follow-up Consultation "Your voice on Europe 2020". You may address your opinion to the European and national leaders who will be meeting at the June European Council.

On 3 March 2010 the European Commission proposed Europe 2020 – A strategy for smart, sustainable and inclusive growth. The European Council is now requested to endorse the strategy's overall approach and the EU headline targets and to give its final approval to the strategy. However some important issues relevant to local and regional authorities still remain open in the strategy. It is crucial that they are adequately addressed before final adoption (June European Council).

You may reply in any EU language by 12 April 2010 by sending your contribution to

consultation@cor.europa.eu.

All the local and regional authorities of the European Union can contribute.
