## Call for proposals IX-2009/01 — Grants to political parties at European level

(2008/C 165/05)

## 1. OBJECTIVES

## 1.1. Background

Article 191 of the Treaty establishing the European Community says that the political parties at European level are an important factor for integration within the Union. They contribute to forming a European awareness and express the political will of the citizens of the Union. In this context, Regulation (EC) No 2004/2003 of the European Parliament and of the Council of 4 November 2003 <sup>(1)</sup> lays down the regulations governing political parties at European level and the rules regarding their funding. The Regulation provides, in particular, for an annual grant from the European Parliament, in the form of an operating subsidy to political parties that apply and which satisfy the conditions laid down in the Regulation.

## 1.2. Objective of the call for proposals

Under Article 2 of the Decision of the Bureau of the European Parliament of 29 March 2004 laying down the procedures for implementing Regulation (EC) No 2004/2003 <sup>(2)</sup>, *'The European Parliament shall publish each year, before the end of the first half of the year, a call for proposals with a view to the awarding of grants to fund political parties and foundations at European level'*. This call for proposals relates to grant applications for the financial year 2009 covering the period of activity from 1 January 2009 to 31 December 2009.
