### III. HOW TO APPLY ONLINE

Please consult the Guide for Applicants ([http://europa.eu/epso/on-line-applications/guide\\_en.htm](http://europa.eu/epso/on-line-applications/guide_en.htm)), which can be found on the EPSO website (<http://europa.eu/epso>). It contains detailed instructions to help you submit your application correctly.

**The closing date for online registration is 24 January 2008, with a deadline of 12.00 (noon) Brussels time on that day.**

#### 1. Creating an EPSO profile/online registration

**Before registering, you should carefully check whether you meet all the eligibility criteria.**

If you decide to apply, you must register via the Internet by going to the EPSO website and following the instructions there concerning the various stages of the procedure.

**It is your responsibility** to complete your online registration in time. We strongly advise you not to wait until the last few days before applying, since heavy Internet traffic or a problem with the Internet connection could lead to the online registration being interrupted before you complete it, thereby obliging you to repeat the whole process. Once the deadline has passed, you will not be able to register.

On completion of your online registration you will receive on screen a registration number, which you must note — this will be your reference number in all matters concerning your application. Once you receive this number, the registration process is finished — it is the confirmation that we have registered the data you entered.

If you do not receive a number, your application has not been registered!

Please note that you must have an e-mail address. This will be used to identify you. The information you must enter in your registration includes your choice of languages and details of the qualifications required for admission to the competition (qualification, name of issuing establishment and date obtained).

**No documents are required at this stage. The candidates with the highest marks in the admission tests (see Section II of ADMISSION TESTS) will then be asked to submit a full application.**

Once you have registered online, you can follow the progress of the competition by going to the EPSO website (<http://europa.eu/epso>) and clicking on 'Ongoing competitions'.

*If you have a disability that prevents you from registering online, you may request a paper version of the form — **preferably by fax** <sup>(4)</sup> which you should fill in, sign and return by registered mail, postmarked no later than the closing date for registration. All subsequent communication between EPSO and you will be by post.*

*You must enclose with your application form a certificate attesting your disability, issued by a recognised body. You should also set out on a separate sheet of paper any special arrangements you think are needed to make it easier for you to take part in the tests.*

#### 2. Invitations

Details of when and where to attend the admission tests will be available **only** on the EPSO website (<http://europa.eu/epso>). You can access this information by entering the user name and password you specified when registering online. You are responsible for updating your EPSO profile to reflect any change in your postal or e-mail address.

<sup>(4)</sup> EPSO – Info-recrutement – Avenue de Cortenbergh, 80 – 4/11 – B-1049 Brussels – Fax (32-2) 295 74 88

You are also responsible for consulting your EPSO profile to keep track of the progress of the procedure and to check the information relevant to your application at every stage. If you find that you cannot do this, you must notify EPSO immediately by e-mail (OHIM-AD-01-07@ec.europa.eu).

Wherever possible, you will be asked to sit the admission tests in the city you chose when registering online. **For organisational reasons you will not be able to switch to another venue unless you can prove that you have changed residence and have informed EPSO of this no later than three weeks before the planned date of the admission tests.**

The European Union institutions apply a policy of equal opportunities and accept applications without distinction on the grounds of sex, race, colour, ethnic or social origin, genetic features, language, religion or belief, political or any other opinion, membership of a national minority, property, birth, disability, age or sexual orientation.

##### 2. Selection board

A selection board is appointed for each competition. Its members are designated by the institutions and their staff committees in equal numbers. The chair and members are then appointed by EPSO's appointing authority. Their names will be published on the EPSO website after all the candidates have been notified whether or not they have been admitted to the competition.

Only the European Personnel Selection Office (EPSO) is authorised to communicate with you until the competition is completed. **You are strictly forbidden to make any contact with the members of the selection board, either directly or indirectly. In the event of any infringement of this rule, it will be for the selection board to decide whether you should be disqualified from the competition.**

##### 3. Approximate timetable

Depending on the total number of candidates, the competition will take approximately one year altogether from the closing date for online registration.

Full details will be available on the EPSO website.

##### 4. Requests from candidates for access to information concerning them

Candidates involved in selection procedures have the specific right of access to certain information concerning them directly and individually, as described below. EPSO may therefore supply supplementary information on candidates' participation in the competition at their request. Candidates must send such requests in writing to EPSO within a month of being notified of their results in the competition. EPSO will reply within a month of receiving the request. Requests will be dealt with taking account of the confidential nature of selection boards' proceedings under the Staff Regulations (Annex III, Article 6) and in compliance with the rules on the protection of individuals with regard to the processing of personal data. Examples of the type of information which may be supplied are given in the Guide for Applicants, Section III.2.

##### 5. Requests for review — Appeal procedures — Complaints to the European Ombudsman

See Annex.

##### 6. Recruitment conditions/career

If you are placed on the reserve list you will be eligible for appointment to an administrator post; recruitment will normally be as a probationary official, as and when required by OHIM in Alicante, Spain.

If you are on the reserve list and are offered a post, you will be asked to produce the originals of all the requisite documents, in particular your qualifications, so that copies can be authenticated.

Recruitment will depend on posts and funds becoming available.

Depending on the nature of the post, successful candidates on the reserve list may initially be offered a temporary contract; in this case, their names will remain on the reserve list.

Article 29(1)(b) of the Staff Regulations refers to the possibility for officials to request a transfer to another institution or agency. However, in the interests of the service, during their first three years of service newly recruited officials are transferred only in exceptional and duly justified cases. Any such transfer is subject to the agreement of both the institution or agency that originally recruited the official and the institution or agency to which the official requests to be transferred.

## 7. Retirement

Under the rules on the retirement age for staff laid down in the Staff Regulations, officials are retired:

- either automatically at the age of 65,
- or, at their own request, at the age of 63 or where they are between 55 and 63 years of age and satisfy the requirements for immediate payment of a pension,
- exceptionally, at their own request and where it is considered to be in the interests of the service, at not later than the age of 67.

## 8. Grade

Administrators will be recruited from the reserve list to grade AD6.

## 9. Remuneration

Basic monthly salary as at **1 January 2007**:  
grade **AD6**, first step: **EUR 4 539,32**

This applies in particular to the confidentiality and security of such data.

11. *To ensure that all general texts relating to the competition and all communication between you and EPSO are clearly understood on both sides, only English, French or German will be used for the invitations to the various tests and correspondence between you and EPSO.*

*The language you choose as language 2 for the admission tests (see Section I(3) of ADMISSION TESTS) will be the language used for all communication between you and EPSO.*

## ANNEX

**REQUESTS FOR REVIEW — APPEAL PROCEDURES — COMPLAINTS TO THE EUROPEAN OMBUDSMAN**

Since the Staff Regulations apply to both the admission test phase and the competition, please note that all the proceedings of the selection board are covered by the confidentiality requirement laid down in Annex III of the Staff Regulations. If at any stage in either part of the selection process you consider that your interests have been prejudiced by a particular decision, you can take the following action:

**— Request for review**

Within 20 days of the letter informing you of the decision being posted online, send a letter stating your case to:

European Personnel Selection Office (EPSO)  
C-80  
Open competition OHIM/AD/01/07  
B-1049 Brussels

EPSO will forward your request to the chair of the selection board if it comes within the board's remit. You will be sent a reply as soon as possible.

**— Appeal procedures**

— Either you can either bring a case before:

European Union Civil Service Tribunal  
Boulevard Konrad Adenauer  
L-2925 Luxembourg

under Article 236 of the EC Treaty and Article 91 of the Staff Regulations of Officials of the European Communities,

— or you can lodge a complaint under Article 90(2) of the Staff Regulations of Officials of the European Communities, at the following address:

European Personnel Selection Office (EPSO)  
C-80  
Open competition OHIM/AD/01/07  
B-1049 Brussels

The time limits for initiating these two types of procedure (see Staff Regulations as amended by Council Regulation (EC) No 723/2004 (OJ L 124, 27.4.2004, p. 1) — <http://eur-lex.europa.eu>) start to run from the time you are notified of the act allegedly prejudicing your interests.

Please note that the appointing authority (AIPN) does not have the power to amend the decisions of a selection board. The Court has consistently held that the wide discretion enjoyed by selection boards is not subject to review by the Court unless rules which govern the proceedings of selection boards have clearly been infringed.

**— Complaints to the European Ombudsman**

Like all citizens of the European Union, you can make a complaint to:

European Ombudsman  
1 avenue du Président Robert Schuman — BP 403  
F-67001 Strasbourg Cedex

under Article 195(1) of the Treaty establishing the European Community and in accordance with the conditions laid down in the Decision 94/262/ECSC, EC, Euratom of the European Parliament of 9 March 1994 on the Staff Regulations and the general conditions governing the performance of the Ombudsman's duties (OJ L 113, 4.5.1994, p. 15).

You should note that complaints made to the Ombudsman have no suspensive effect on the period laid down in Articles 90 (2) and 91 of the Staff Regulations for lodging appeals with the European Union Civil Service Tribunal under Article 236 of the EC Treaty. Please note also that, under Article 2(4) of the general conditions governing the performance of the Ombudsman's duties, any complaint lodged with the Ombudsman must be preceded by the appropriate administrative approaches to the institutions and bodies concerned.
